AMENDMENT

This is responsive to the Office Letter of 25 November 2005, which was made Final. A prior Amendment under 37 CFR 1.116 was filed 23 February 2006 but the Examiner refused to enter that Amendment or to consider the Declaration accompanying the Amendment. Accordingly, this Amendment and Declaration respond to all of the outstanding issues and is proper under 37 CFR 1.114(c). The Office is instructed to *not* enter the unentered after final amendment.
